Product Specification Sheet

Targus Laptop Stand with Removable Chill Mat

Part #: AWE14US

Product Description:

The Targus Notebook Stand with Removable Chill Mat is designed to help prevent your notebook from overheating during use and includes an ergonomic notebook stand to enhance your workspace. Two fans inside of the Chill Mat maximize notebook performance by keeping your notebook cool during use. For comfort at work or on the go, the notebook stand holds your notebook in an easy-to-use position making it simple to create a more comfortable, ergonomic workspace. The stand features a modular design which provides multiple viewing heights for added convenience and also includes additional storage for accessories to keep your workspace organized.

Product Features and Specifications:
